MAYBE it is an old fashioned idea this notion of putting all the value possible into the car itself—and as little as possible into overhead expense—

But it has given the Paige a positively dominant position among cars of medium price—

Ample capital for operating purposes—no bonded indebtedness—no excessive capitalization—no heavy overhead of any kind to be paid for.

Just a full dollar of car value for every dollar of the selling price.

Is it any wonder that the Paige is going to be oversold again this year in spite of increased production?

"Mother was a beauty in her younger days."

Mother may smile deprecatingly—but watch her go to the little top drawer and take out the precious photograph "taken before I was married." Chances are she will also tell you of her admirers, and we can believe they were many.

What a priceless record of her younger charms that photograph is to mother, and to you.

Modern photography can do infinitely more to preserve the records of years.

LIGHTING CONTRACT

Awarded To Maysville Gas Company By City Council—Better Lighting System and Great Saving To the Public

Proceedings Enlivened By Much Out of Routine Business

Council met in regular session last night at the Council Chamber, Mayor Lee in the chair, and all members present.

The Mayor reported that he had collected during the past month \$86.60 for licenses issued.

The report of the Claims and Accounts Committee was as follows:

| | |
|---------------------------------|----------|
| Aims and Almshouse | \$412.83 |
| Public Library | 50.00 |
| Pensions | 69.50 |
| Internal Improvements | 745.92 |
| Gas and Electricity | 749.43 |
| Salaries | 284.11 |
| Police | 398.80 |
| Boarding and guarding prisoners | 223.70 |
| Fire Department | 348.10 |
| Horse and cart | 111.80 |
| Mason County Health League | 25.00 |
| Rock bought | 551.45 |
| City Missions | 25.00 |
| Miscellaneous | 580.21 |

TOTAL\$4,575.85

The report of City Collector and Treasurer, H. C. Curran, was as follows:

Receipts.

Fines working out38.50

TOTAL\$534.30

Fire Chief Hite's report:

The Fire Department made four runs. fires promptly extinguished. Uncle Bob's home has been sided with galvanized iron as a protection from fire.

The following building permits were granted:

To J. C. Everett & Co., for a three or four story, metal roof building, on north side of East Second street, between Market and Limestone streets, and to run a switch into said building, crossing Limestone street and its alley in the Third Ward.

To Thomas J. Curry for a one story and half frame house, shingle roof, on south side East Second street, in Sixth Ward.

To James Dunn, for a two story brick business house and residence combined, metal roof, on East Third street, Fourth Ward.

To S. D. McDowell, for a frame storage shed, composition roof, on Maddox alley, in Second Ward.

C. W. Phister, wharf master, reported he had collected \$49.35 wharfage.

Electric Light Committee reported an ordinance and contract from the Maysville Gas Company. Said contract amended so as to leave out 600 candle power light and \$75 per light, binding the city to 400 candle power light at \$65.

After brief discussion the ordinance and contract were put on final reading and passed.

(The new lighting contract is printed below.)

The pool room license of John T. Mackey was transferred to A. W. Curry.

George Wood was granted license as auctioneer.

A communication from the C. & O. R. R. "On Safety First," referring to what had been done in Virginia schools asked the aid of the Council to have a similar law passed in Kentucky compelling the teachers to give at least 30 minutes a week to give instructions in "Safety First."

Mr. Fitzgerald was granted the floor. He spoke in reference to horse trading on lower Market street. The Council saw fit to grant traders the use of any street in the city forbidding to traders on County Court days.

Committee on examining the books of the city asked for more time. Time granted.

Committee on sidewalks asked for an ordinance covering all unfinished sidewalks.

Mr. Easton stated complaints about the Green River warehouse were numerous. The warehouse committee were directed to communicate with the owner.

Improvement Committee emphasized its act.

Mr. Foster was instructed to see Mr. Collins and tell him to clean up the alley in which he has a lot of debris from an old flour mill, or else the Council would do it for him.

Mr. Hunsicker rented January Park for pasturage for his horses for \$5.

Mr. Arn brought the question of oiling the streets to the front. The Council voted to oil all streets at the City's expense.

Mr. Arn brought in an ordinance raising street carnival license from \$100 to \$300 per week. The ordinance was lost by a vote of 7 to 5.

Mr. Everett asked for an issue of 10 bonds of \$500 for the emergency fund. Motion carried.

Internal Improvement Committee asked to be allowed to let the sewer on East Second street out by contract. The request was granted.

In the matter of buying the Phister lot on Limestone street for \$2,100 for city purposes the Committee was allowed more time.

Mr. Sam Outten and Mrs. Nicholas each were placed on the pension roll at \$5 up per month each.

Council adjourned.

Following are the terms of the contract accepted by the City Council as submitted by the Maysville Gas Company:

CONTRACT OF THE MAYSVILLE GAS COMPANY WITH THE CITY OF MAYSVILLE FOR THE LIGHTING OF STREETS, ALLEYS AND PUBLIC WAYS WITH ELECTRICITY AND FOR FURNISHING ELECTRICITY AND NATURAL GAS TO PRIVATE CONSUMERS.

It is hereby agreed by and between the City of Maysville, party of the first part, and the Maysville Gas Company, Incorporated, party of the second part, that in consideration of the payments hereinafter set out by said City to said Company that said Company hereby agrees to furnish to said City any number of Nitrogen Gas-filled (Are Lamp Equipment in Fixture and Suspension) Street Lighting Units of 600 and 400 candle power sizes for the sums of Seventy-five (\$75.00) Dollars and Sixty-five (\$65.00) Dollars respectively per lamp per year. Said lamps are to take the place and suspension of the present are lamps and to furnish respectively three times and twice the candle power and lighting value of the are lamps now in use.

Said Company will give at the end of one year from date of contract a cash rebate of \$10.00 per lamp upon the renewal of said contract for another year, and the Company will continue to do so from year to year, including the fifth year, whether the contract is renewed again at that time or not, making each 600 candle power Nitrogen Lamp cost the City Sixty-five (\$65.00) Dollars each year and each 400 candle power Nitrogen Lamp cost the City Fifty-five (\$55.00) Dollars each year. Said Company also agrees to furnish any number of 6.6 Amp Series Mazda Lamps of the following sizes and at the prices named, to-wit:

40 c. p. lamps per year \$20.00—\$17.00

60 c. p. lamps per year \$22.00—\$18.70

80 c. p. lamps per year \$27.00—\$22.95

100 c. p. lamps per year \$30.00—\$25.50

It is understood that if the Nitrogen Gas-filled Lamps are made in the smaller size units to successfully operate with a reasonable lamp life that said Nitrogen Lamp of the smaller sizes will be substituted candle power for candle power at the next lowest price specified on above list. Said Company will give at the end of one year from date of contract on such of the above Series Mazda or Nitrogen Lamps as the City may have used in the meantime, a cash rebate equal in sum to fifteen (15) per cent of the total amount charged for said Lamps upon the renewal of said contract for another year, including the fifth year, whether said contract is renewed again at that time or not. Said Lamps are to be located as said City as may be designated by the Committee on Light of the City Council. All posts, lamps, fixtures and apparatus of every character and nature connected with or pertaining to the said electric lighting, are to be furnished by the Company without any cost to the City and shall remain the property of the Company.

Said Company shall pay for, maintain and extinguish all of said lamps without extra cost to said City and said Lamps are to be kept lighted all night and every night in the year, schedule approximately 4,000 hours.

Said Company further agrees to execute a bond in the sum of Five Thousand (\$5,000) Dollars to said City for the faithful performance of all the terms and conditions of this contract.

In consideration of said Company furnishing said lamps and lighting the City as hereinbefore stated, the said City agrees to pay said Company the sums of Seventy-five (\$75.00) Dollars per lamp per year for said 600 candle power Nitrogen Lamp and Sixty-five (\$65.00) Dollars per lamp per year for said 400 candle power Nitrogen Lamp and the prices set out above for such size Series Mazda Lamps as may be selected and located subject to the rebate per Nitrogen Lamp and the discount or rebate on the Series Mazda Lamps as mentioned in the first part of this contract.

It is understood that bills for lighting are to be paid monthly, the same as other bills against the City are paid.

Kind of current to be supplied—110 Volt, 1 Phase, 60 Cycle, Alternating.

Power.

Up to 10 H. P. demand, \$1.00 per H. P. demand plus 3 1/2¢ per K. W. hour

10 to 30 H. P. demand, \$1.00 per H. P. demand plus 3¢ per K. W. hour

Over 30 H. P. demand, \$1.00 per H. P. demand plus 2 1/2¢ per K. W. hour

Minimum bill for power, \$1.00 per H. P. month connected load.

Kind of current to be supplied—110 and 220 Volt, 1 or 2 Phase at the option of the Company, 60 Cycle, Alternating current.

All private consumers are to be on a meter basis at the above rates. Meters are to be set and changed without charge upon the consumer's application and all service wires to be run free overhead to point where service enters the building.

It is further understood and agreed that said Company shall have and maintain at all times sufficient plant capacity to meet the requirements of any lighting or power consumer in the City of Maysville who may apply for service under the terms of this contract and will co-operate with the City or any organization thereof in any effort to extend or enlarge the City's business or industrial interests.

In further consideration of the public lighting contract the Company agrees that its rates for Natural Gas to private consumers shall be during the term hereof as follows, to-wit:

Natural Gas.

Light, Heat and Power Rate.....

Minimum bill50¢ per month

Prompt payment discount—10¢ per 1000 cubic feet if paid on or before 6th day of the month.

All services are to be run and meters installed by or under direction of the Company. All services to private consumers from main to property line are to be run at the entire expense of the Company, from property line to outlet of the meter all cost is to be borne by the consumer or property owner. By cost is meant labor and material supplied. Meters are to be changed, set or removed for cause without expense or charge to the consumer, except where said change of meter necessitates a change of pipe or fittings on the consumer's property at which times the Company is to supply said pipe or fittings at the cost of material.

It is understood and agreed that said City may provide by ordinance for such test and inspection of Gas and Electric Meters as may be deemed necessary to establish and maintain the correctness of measurement and the full performance by the Company of its obligations under the terms of this contract.

This contract is to be for a period of one year from the date of its signing by the parties hereto. The City of Maysville shall have the right, by giving notice sixty (60) days before the expiration of the year, to renew the contract for another year and shall have the same privilege of renewal upon like notice in each succeeding year for five years from the date hereof.

It is understood and agreed that the annual rebate or discount allowed on all public lamps as hereinbefore set out is to apply to and be deducted from the City's bill for Street Lamps at the end of the fifth year of the renewal of this contract, whether there is any renewal for a succeeding year at that time or not.

In witness whereof the parties have hereunto subscribed their names and fixed their corporate seals, this fourth day of May, 1914.

A tentative apportionment of 200 and 400 c. p. Nitrogen Lamps in the place of old are lamps, that was made by us as a suggestion to your Committee, shows a saving to the City's annual street lighting account of \$1,680.50, with from two to three times the amount of light.

The reduction of Minimum or Readiness to Serve Bill means a saving to the Gas and Electric Light Consumers of \$709.54 per year, taking the year 1913 as a basis.

Selecting 40 typical accounts out of the total of Residence consumers and applying the ten and five cent rate to their bills and consumption for 1913, an average saving of 17% to Residence Electric Light consumers is shown.

By giving the quantity discounts to have been an average

should be lighted. Credit for said outage, however, shall be given only when it exceeds one and one half (1 1/2) hours in duration.

In further consideration of the public lighting contract the Company agrees that its rates to private consumers shall be as follows, to-wit:

Lighting Rate to all Consumers.

1st 30 hours use connected load.....

.....10¢ per K. W. hour

Balance of consumption05¢ per K. W. hour

10% discount on bills amounting to from.....\$10.00 to \$20.00 per month

15% discount on bills amounting to from.....\$20.00 to \$30.00 per month

20% discount on bills amounting to from.....\$30.00 to \$40.00 per month

25% discount on bills amounting to over.....\$40.00 per month

Maximum bill.....50¢ per month

Connected Load—It is understood that lamps located and used as follows, shall not be counted as part of the consumer's connected load: Sign, show window, and any outside display, attic, cellar, porch, and any special lamps used incidentally for convenience where other lamps in the same room or apartment supply the general illumination.

Kind of current to be supplied—110 Volt, 1 Phase, 60 Cycle, Alternating.

Power.

Up to 10 H. P. demand, \$1.00 per H. P. demand plus 3 1/2¢ per K. W. hour

10 to 30 H. P. demand, \$1.00 per H. P. demand plus 3¢ per K. W. hour

Over 30 H. P. demand, \$1.00 per H. P. demand plus 2 1/2¢ per K. W. hour

Minimum bill for power, \$1.00 per H. P. month connected load.
